

Let Nothing Stop You: A Living Testimony by Pastor Stephen Mensah

By Stephen Nimoh Mensah

AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.After critical analysis of my life, I have come to realise the Lord has been my portion for living. The arm of the Lord is really strong and has saved me, and he is still with me. I have drawn this conclusion due to some awkward situations that befell me and that could have resulted in my untimely death. This is the story of how I became a witch doctor, a boxer, and then a pastor and how it took me two years to travel on foot through Africa to get to Europe to attend Bible college because of my calling from God. I have shared my testimony with some unbelievers who have become new converts in Christ, and the Christians with whom I speak revive their hopes and faith. I love to share my story by speaking on a platform because I am not good at writing. But due to space and time constraints, I have chosen to write it down. Pay attention as I share with you some fascinating moments of my life.

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It is designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and I advised this pdf to understand.
