Brand New Book ***** Print on Demand *****.Excerpt from Inventory of Significant Structures, Architectural Character Guidelines: Sequoia and Kings Canyon National Parks Bibliography horizontal lines, while the vertical board-and-batten siding in the gable ends gives some relief to the horizontality. This architectural counterpoint adds interest and expression to the structure. Other Many of the buildings have been moved from their original locations. The use of the post-and-block foundation allows for that type of informality and flexibility in architecture. It also makes minimal impact on the land.
