Being a Selection of Passages From Measure for Measure and All s Well That Ends Well We now propose to make a critical examination of two of Shakespeare s Plays, viz., Measure for Measure and All s Well that Ends Well, for the purpose of ascertaining whether their author had studied law, and been a practical lawyer; at the same time to notice how many obscure passages can be made clear, and how many corruptions of the text may be restored, by an applica tion of a knowledge of that system of law with which we have supposed that our Poet had become well acquainted.
