

guide des lanceurs spatiaux (3e édition)

By Angelis, Laurent De- Grichkov, Serguei

TESSIER ET ASHPOL, 2012. Paperback. Condition: NEUF. Le Guide des lanceurs spatiaux est une référence dans son domaine depuis plus de 20 ans. Cette 3ème édition constitue une refonte complète et une mise à jour des précédentes éditions, avec une iconographie abondante, un graphisme et une présentation rénovés. Le Guide n'est pas un simple catalogue de données techniques, que le lecteur pourra trouver sur Internet. Il permet la mise en perspective de la technologie, de l'histoire et aussi de l'économie du spatial, en allant parfois à l'encontre des clichés trop souvent véhiculés sur le sujet. Le contexte géopolitique dans lequel évoluent les puissances spatiales reste toujours présent dans les analyses. Une véritable réflexion sur le futur de la conquête spatiale en ce début de troisième millénaire est également proposée. - Nombre de page(s) : 320 - Poids : 600g - Genre : Sciences appliquées Astronomie, Astrophysique.
