Brand New Book ***** Print on Demand *****.Thrill to Hcone, a key Beaconeer, who begins his own journey in Project-time on Beacon-12. Will he progress to the desirable Yellow Aura? Or does he remain an ecstatic Emerald Green? In the far reaches of the Realm, Arch-Admiral Itna peers into the Active-Range Magnifying Dimensional Array. He looks for telltale Pulsars MOC leaves behind. His battle objective to locate and destroy Beacon-12 cannot evade his search. His Armada, though antiquated, by some standards, sails onward to its certain destiny of conquest. Even Quantum Mechanical Devices cannot stand in his way. In the middle of every Galaxy, a great Cone of Dark Energy constrains untold masses of Dark Matter. Esimed 723, the Electric Blue Aura overseeing the Grey Aura, Elad, develops an instantaneous transport technology, Envelope OverLay (EOL). Its original purpose is message transmittal. The EOL s enhancement enables the Realm to divest itself of antiquated transport ships. The EOL permits the three primary Branes of the Realm to tangentially overlay each other on command. The Overlay creates shimmering, rainbow-colored membranes between any two Realm universes. Auras freely...
