Vintage Publishing, United Kingdom, 2000. Paperback. Condition: New. Language: English . Brand New Book. Henry Green wrote his autobiography in 1940, aged only thirty-five, because he was convinced he wouldn t survive the war. The result is a delightfully wayward and incisive portrait of English society and of the man himself. From reminiscences of a childhood spent among the gentry, to searing descriptions of Eton and Oxford, to reflections on the author s first experiments with prose and with sex, all Green s unique talents as a writer are on offer here, at their most dazzling and accessible.
