This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. The Shape of Zion is a practical and functional resource that provides a public profile of the organizational backbone of black congregations within the United Methodist Church and the Presbyterian Church (USA), and historically black congregations including: African Methodist Episcopal African Methodist Episcopal Zion Christian Methodist Episcopal Church of God in Christ National Baptist Convention of America National Baptist Convention, USA, Inc. Progressive National Baptist Convention Research for this resource was initiated to enhance the capability of religious denominations in the use of congregational studies. It will provide pastoral leadership with principles and guidance, allowing congregations to compare themselves to other faith groups and congregations. Questions for reflection, decision, and action are also included. Michael I. N. Nash received his DMin from Boston University. An ordained United Methodist minister, he is associate professor of ministry and context at the Interdenominational Theological Center. He is co-author of Hidden Wholeness: An African American Spirituality for Individuals and Communities (United Church Press, 1997). Christine D. Chapman received her...

### Reviews

*It in one of the best book. Better then never, though i am quite late in start reading this one. You wont feel monotony at at any moment of the time (that's what catalogues are for regarding in the event you check with me).*

-- **Dr. Kristin Dickens**

*The best book i actually go through. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Prof. Greg Herzog**
