

The Apprentice and the Project Manager Lessons for Developing an Agile Mindset

By Kamal Manglani

Happy About. Paperback. Condition: New. 90 pages. Dimensions: 8.3in. x 5.3in. x 0.3in. People and organizations constantly struggle with the pace of change and limited resources. This book narrates important lessons on how people and organizations can win in today's competitive and ever-changing environment through short stories sharing experiences of an apprentice in an auto workshop, who learns the various types of optimizations, and who later expands these optimizations in his corporate job. The optimizations draw upon principles from Lean. This book expresses the importance of short review cycles that support a shift in behaviors and habits through numerous parallels drawn from an auto workshop and later at a corporate culture. Human behaviors are used to understand what we need to do in order to make us all better performers. When we start to measure those behaviors we start to see our wasteful habits and start to understand what we need to alter or cut out completely. The Apprentice and The Project Manager will help the reader identify these and similar challenges they are sure to face in their professional fields, even outside of technology. This book will enable the reader to get started on a journey to develop an...
