Reviews

*If you need to adding benefit, a must buy book. It normally fails to cost a lot of. Its been designed in an extremely easy way in fact it is just right after i finished reading through this ebook by which basically transformed me, change the way i believe.
(Vernon Ritchie)*

WAR PLAN IRAQ: 10 REASONS AGAINST WAR WITH IRAQ

Verso Books. Paperback. Book Condition: new. BRAND NEW, War Plan Iraq: 10 Reasons Against War with Iraq, Milan Rai, Noam Chomsky, Noam Chomsky, War Plan Iraq rigorously dissects official propaganda to argue powerfully against an illegal war in Iraq. Based on the popular "ARROW Anti-War briefings," the book argues that there is no evidence that Iraq has chemical weapons, or that it is involved in terrorism. In fact, it proves evidence that the US refused a Taliban offer to extradite Osama Bin Laden and that the work of the weapons' inspectors was deliberately undermined by the US government. This projected war has no mandate; certainly not among the 58% of British people who oppose it, nor among Iraq's neighbours, nor even among the many US and British military personnel who are against it. If none of these arguments persuade our leaders, they should listen to the relatives of the 11 September victims recorded here so movingly, and heed the warning about the world recession that a war could trigger. Brilliantly persuasive and never dull, this book is essential reading for anyone who cares about peace and democracy.
