Random House USA Inc, United States, 2011. Paperback. Book Condition: New. 201 x 130 mm. Language: English . Brand New Book. Just when the world needs it most, a new style of social engagement is emerging: Active Citizenship. A key member of one of New York's most civic-minded families--one that has supported many of America's notable institutions and deserving programs--Jonathan Tisch has devoted a lifetime to active citizenship. It's an idea that uses the power of practical creativity and grassroots participation to solve seemingly intractable problems. In Citizen You, Tisch challenges readers to join this movement and points the way toward making our world a better place, one person and one neighborhood at a time. Tisch has filled Citizen You with accounts of people you'll meet, such inspirational individuals as: Scott Harrison, who has used the networking and marketing skills he developed as a night club promoter to help over a million people in the developing world get access for the first time to clean, safe drinking water. Steffi Coplan, whose Broadway2Broadway project brought out the hidden musical talents of kids at an inner city school. Eric Schwarz, who decided to do something about America's under-performing schools, and parlayed a single classroom mentoring project into the nationwide Citizens Schools movement. Chris Swan, who is training a new generation of citizen engineers to make sure that the projects they build aren't just structurally sound but also environmentally and socially sustainable. Dave Nelson, who traded his role as an executive at IBM for a job at a struggling nonprofit that teaches kids about the power of entrepreneurship--and discovered a host of new challenges and rewards in the process. Through these and many other remarkable stories, you'll learn how today's active citizens are transforming...
