HACER-PENSAR-SIENTIR - EN EL MUNDO (PAPERBACK)

Interestbooks, United States, 2010. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****. Dr. Brian Lynch clarifies and explains how we human beings might better understand ourselves with more patient acceptance of our basic emotions. I have found Dr. Lynch s approach helpful personally, and have shared his insights with others who also find his ideas helpful. Dr. Lynch is most proficient in the art of communication that conveys a compassionate understanding of how we might go about having more positive than negative affective (emotional) experiences-an imbalance we all seek! His original and crisp methods of presentation also provide a delightful medium to learn about the many practical insights he shares with readers about what it means to be a more (rather than less) positively affective human being. Jim Duffy, Ph.D., Psychologist.
