Essay from the year 2011 in the subject Politics - International Politics - Region: Western Europe, grade: 70, 1, 5, Dublin City University, course: Introduction to Modern Ireland, language: English, comment: This is a lucid, concise and convincing essay. , abstract: Tom Garvin introduces his book The Evolution of Irish Nationalist Politics from 2005 with the following appraisal: The political parties of the Irish Republic are somewhat exotic entities. The countrys party system, and its style of popular politics in general, are untypical of Western liberal democracies in many ways. He is proved right when looking at the classical political model and Irelands party structure. The general political spectrum that divides political ideologies on the basis of their beliefs is not applicable to the Irish political landscape. One can neither find a clearly left-wing nor a genuine right-wing party. Instead, two big and nearly equal conservative parties prevail: Fine Gael and Fianna Fil. For many years these parties dominate the Dil winning together over 50 of the seats every election. Since their foundation in the early 20th century the parties share basically the same political platform and represent therefore just an alternative to each other. The Irish population constantly favoured centre-right politics and consequently other political camps were generally left by the roadside: in 2007, for instance, the Labour Party and the Green Party together won only 26 out of 166 seats. Another factor for Irelands flat political landscape is the lack of cleavages within the Irish society. Not only due to exceptional ethnic and religious uniformity, . . . based on the role of the Catholic Church in social and political life but also due to Irelands late industrialisation, traditional and homogeneous voting was and still..
