Reviews

*Completely among the best ebook I actually have possibly read. It can be rally fascinating throgh reading through period of time. I am very easily can get a pleasure of studying a written ebook.
(Mr. Antone Rogahn Sr.)*

TEN DAYS IN A MAD-HOUSE (ILLUSTRATED EDITION) (DODO PRESS) (PAPERBACK)**DOWNLOAD**

Dodo Press, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Elizabeth Jane Cochrane (wrote as Nellie Bly) (1864- 1922) was an American journalist, author, industrialist, and charity worker. She is most famous for an undercover expose in which she faked insanity to study a mental institution from within. She is also well-known for her record-breaking trip around the world. Bly focused her early work for the Dispatch on the plight of working women, writing a series of investigative articles on female factory workers. She travelled to Mexico to serve as a foreign correspondent. In 1888, Nellie suggested to her editor at the New York World that she take a trip around the world, mimicking Jules Verne s book Around the World in Eighty Days. In 1894 she retired from journalism, and became the president of the Iron Clad Manufacturing Co. For a time she was one of the leading women industrialists in the United States, but mismanagement forced her into bankruptcy. Forced back into reporting, she covered such events as women s suffrage convention in 1913. Her works include: Ten Days in a Mad House (1887) and Around the World in Seventy-Two Days (1890).
