Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A NEW KIND OF ZOMBIE HAS ARRIVED! INFECTED FREAKS VOLUME ONE: FAMILY FIRST Armageddon began the day Red Dead entered the solar system. Fear leads to blame, blame leads to choosing sides--and both sides have bombs. Civil War in America turned into a worldwide conflict, leaving the planet in a new dark age. Nothing has stirred about in the ravaged mountains for two years. Abraham s heart is broken save the fading hope of bringing his lost children home. He sets out without a destination searching for signs of life--what he finds is something infected. Living husks riddled in fungus and straight out of a nightmare threaten the region. No one knows if the infected freaks are some sort of zombie created in a lab or something alien related to the approaching red planet. Where do you go when everything in the world is destroyed? Who do you trust when each survivor is a wolf in sheepskin? And how do you stop something you know so little about? For Abraham Heinz, understanding that help isn t on the way is the first step in the long journey to finding peace in a world, so cold. Survival is going to take him beyond moral limits. Hell on Earth is here in Jason Borrego s survival horror adventure--INFECTED FREAKS.
