This Adult coloring book has interesting word shape and verbal subliminal designs for you to color. But in the process of coloring, your subconscious mind absorbs the subliminal messages they present and this can help you change your attitude, feelings and behavior related to the worded message. You can make positive changes in your life when your conscious mind tunes out as you relax and color these pages. It is a form of Subliminal Messages. As long as you are using coloring to relieve stress, why not get the added bonus of enhancing your money making abilities at the same time? It's a free bonus to the time you are spending to relax and de-stress from your tough life. In general, the conscious mind acts as a gatekeeper, choosing which facts it encounters are important to you and should be saved or acted upon, and which facts are not important, or...
