Brand New Book ***** Print on Demand *****.This early work on garden DIY is a fascinating read for the amateur or professional gardener and also contains much information that is still useful and applicable today. Extensive diagrams illustrate step-by-step guides to building various items of garden furniture, including an All-purpose Garden Barrow, Weatherproof Garden Set and Bird Table amongst others. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
