By Herbert Baynes

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Rise and Growth of Vedic Literature For the due performance of his functions each of the three first-named priests requires a Samhita (collection), which supplies him with the necessary material of hymns and maxims; a Brahmanam (theological exegesis), which indicates the right use of this material at the time of. Sacrifice, and the varied contents of which it consists may be brought under three rubrics, namely, Vid i or prescription, Art avada or commentary, and Vedanta or Upanis ad, theological and philosophical considerations on the nature of things. The last-named sections are called Veddnta, or end of the supreme Wisdom, because, as a rule, they stand at the end of the Brahmanas, and Upcmis ad confidential sitting, because they were imparted to the students singly at the close of their tuition. To every Veda there also belongs a Sfitmm or guiding thread, which reproduces the contents of the Brahmanas in terse and synoptical form, and presents the whole subject systematically.
