

## Tales of the Teutonic Lands (Paperback)

Filesize: 2.62 MB

### ***Reviews***

*Very helpful to all of group of men and women. It can be written in easy terms instead of confusing. You will like how the writer wrote this book.*

*(Dr. Daren Mitchell PhD)*

## TALES OF THE TEUTONIC LANDS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the PREFACE. THE STORIES contained in this volume fall into three classes, the first comprising tales for which, so far as we may see, no historical character whatever can be claimed, while to the second belong the legends in which a certain amount of national or local history has been imbedded amongst masses of mythical detail. The third class comprehends those tales which on a careful analysis are found to lie in great part or wholly beyond the province of the comparative mythologist. Of this last class it seemed necessary to include some specimens, as I felt it to be my duty to leave no room for the misapprehension that the science which professes to explain completely the myths of Psyche and Eros, of Urvasi and Pururavas, seeks to resolve the whole popular literature of the Aryan nations into phrases which have certainly furnished all the materials for the legends of Hermes and Phoibos, of Sigurd, Helgi, and Baldur. The tales given as specimens of this class belong to Scandinavian rather than to Teutonic folk-lore; but their general character and their wide popularity may render it unnecessary to apologise for their insertion. No one probably will be disposed to question the importance of determining the degree of credibility to be attached to the burning of Iliion and the burning of the house of the Icelandic Njal, if the differences between the two be capable of measurement. This question I have endeavoured to answer in the Introduction, in the hope that the attempt may serve to remove some strange misconceptions of the method which has been applied in the analysis of the popular legends of the Aryan nations. This examination...
