Orman Press, Inc. Paperback. Condition: New. 130 pages. Dimensions: 8.3in. x 5.5in. x 0.4in. In *Winning the Battle Over Negative Emotions*, Dr. Kerwin Lee describes how eight negative emotions - bitterness, depression, fear, grief, guilt, hatred, jealousy and worry were experienced and overcome by various biblical characters. He suggests that if these emotions were experienced by well known, godly people in the Bible, then they can be experienced by anyone - even Christians in God's church. Dr. Lee reminds us that although we may be strong in the Lord, we are not immune to negative emotions. Many Christians do not believe that it is possible to go to church and still experience negative emotions, it is also possible to love the Lord and experience them. In this book, Dr. Lee looks at negative emotions, their causes and most importantly how Christians can overcome them. This item ships from multiple locations.
