Oh, mamma! cried little Germaine, as she jumped out of bed and ran to the window, how glad I am it is such a beautiful day. Germaine was up bright and early on this sunshiny day, for many pleasant things were going to happen. However, this was not her only reason for early rising. French people always do so, and little French children are not allowed to lie in bed and to be lazy. At the first peep of daylight Germaine s papa and mamma were up, and soon the little breakfast, as it is called, was ready in the big kitchen of the farmhouse. Even the well-to-do farmers, like Germaine s papa, eat their meals in their kitchens, which are also used as a general sitting-room.
