## Spiritual Warfare: Lessons on Deliverance from Spiritual Bondage to Freedom in Christ

By Stella Davis

iUniverse.com. Hardcover. Condition: New. 240 pages. Dimensions: 9.1in. x 6.0in. x 0.9in. Spiritual Warfare, the sequel to Stella Davis's first book, *Giving God the Praise*, provides teachings on spiritual warfare for both priests and laity through the recounting of Davis's own experiences in ministry and those of her team. As a veteran missionary herself, Davis believed that various texts she had read available to the public and to priests did not treat spiritual warfare in the depth required, especially at a time when evil has so increased, and the need to know how to combat it is so great.

Extraordinary supernatural phenomena have become more common in our day and cannot escape our attention. Even those who consider themselves enlightened, who maintain that the power of nature is unlimited, are put on their mettle by the undeniable facts of the preternatural. Intrigues of Satan are as active today as they were when God first called Davis to ministry. Hence, *Spiritual Warfare* attempts to address the need to deal with these occurrences, offering a call to repentance, healing, deliverance, and action. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
