Connect with the birth, growth, change, joy, love and inner strength of mothering. Take a spiritual voyage through blessings, prayers, anecdotes and meditations about the sacred undertaking that is motherhood. These words of hope and healing, pain and promise, are for all mothers - traditional, single, adoptive, foster, step and bereaved - and are drawn from many faith traditions, including Christian, Jewish, Buddhist, Hindu, Muslim and Native American. Special multifaith ceremonies offer ways to honor many aspects of motherhood, such as: becoming a new mother, either through birth or adoption; welcoming children into the larger community; and acknowledging the experience of weaning a child. Insightful and wise, the expressions in this soulful collection illustrate the paradox of motherhood and will speak to your heart as you see motherhood in a whole new - and holy - way. Contributions stem from both ancient and contemporary sources, and many contributions were written specifically for this book.
