Brand New Book ***** Print on Demand *****.The One Book Cancer Doesn't Want You to Read As a cancer survivor, I am thrilled that Frank's book is available for my patients-whether they are cancer patients or their caregivers-this book is an essential tool for navigating the unknown arena of cancer diagnosis and treatment. -Dr. Lee Morand, Psy. D. It was my privilege to take care of Mrs. Antonicelli. I think it is fantastic that this book is a product of Frank's experiences and can now help other families. The information Frank presents would have been invaluable during the many years of my young daughter's...
