

## Advanced Public and Community Health Nursing Practice: Population Assessment, Program Planning and Evaluation (Paperback)

By Naomi E. Ervin, Pamela Kulbok

Springer Publishing Co Inc, United States, 2018. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Helps students to master the essentials of advanced public and community health nursing practice today. Written by advanced practice public/community health nurse experts, this comprehensive resource for advanced practice nursing students and clinicians builds upon the core foundations of practice: social justice, interdisciplinary practice, community involvement, disease prevention, and health promotion. Interweaving theory, practice, and contemporary issues, Advanced Public and Community Health Nursing Practice, Second Edition, provides essential knowledge needed to successfully assess communities, diagnose community situations, plan programs and budgets, and evaluate programs in public and community health. This revised edition has been thoroughly updated to encompass the evolution of public/community health nursing practice during the past 15 years. With several examples of community assessments, community health program plans, and evidence-based and best practice interventions, the content in this publication addresses the core processes of advanced public/community health nursing practice. Chapters integrate new material about the physical environment and cover key changes in nursing education and practice and health care financing and delivery. This new edition includes additional content on culture and diversity, in-depth theory and conceptual frameworks, doctoral preparation,...
