Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

rites of odin

Llewellyn Publications. Paperback. Condition: New. 360 pages. Dimensions: 8.7in. x 6.0in. x 0.2in. Open the door to the ancient Norse world of magic and spirituality with *The Rites of Odin* by Ed Fitch. The ancient religion of Northern Europe was one of remarkable strength and power, as well as magic and beauty. Its adherents were themselves a solid and adventurous lot: the Norse, Slavs, Germans, ancient Russians, and of course, the Vikings. *The Rites of Odin* is a complete sourcebook that brings the ancient values back to these turbulent times. What you read here is poetic and powerful, perfect for groups who have chosen to follow the Old Ways, for families who wish to be unified by warm and close ceremonies, and for the solitary seeker. - The history and philosophy of ancient Norse magic made practical for today - Basic ritual preparation and design - Seasonal festivals for groups, families, and individuals - Protection rites - Wedding rites - Norse lore - The Runes: their symbolism and use in divination - A Rune-Talisman rite - Crafting a drinking horn - Brewing your own mead *The Rites of Odin* puts forth the message, in rites, practice, and background lore, that you are uniquely important. You are in charge of your own destiny. The family and friends who constitute your extended family are also important: by working together and helping one another, all of you can prosper and be happy. Ed Fitch, one of the founders and major scholars of modern Paganism wrote *The Rites of Odin*. Initiated into Gardnerian Wicca during the mid-1960s, he has continually added to the existing background lore on Wicca and mainstream Paganism, and is widely considered to be one of the best and most influential writers of rituals in the U. S. today. This item ships...
