Brand New Book ***** Print on Demand *****.Irvin Yalom is one of the best known, most widely-read and most influential psychiatrists in the contemporary world. Through his many books, which are accessible to ordinary readers as well as illuminating for psychotherapists, he has provided a guide for living in a perplexing world. Writing in a literary style that reviewers have compared to Freud, Yalom details what actually happens in the intimate human encounter that is psychotherapy. Yalom does not shrink from exposing his own thoughts and feelings about what occurs; he, too, is a vulnerable and searching human being. He makes his thinking about his patients, and his efforts to treat them, transparent, exposing his doubts, reservations and struggles as well as his insights. He has written two textbooks, two volumes of case history stories, three novels about therapy, a guide for therapists and one book of counsel for the masses confronting death. Across all of this work, he explores the limitless and complex possibilities of the healing inherent in genuine human connection and authentic awareness of the dilemmas of human existence.
