Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Superiority of any race is not a biblical construct; it is a human one - out of one man came every race - Acts 17:26 states, And He made from one [common origin, one source, one blood] all nations of men to settle on the face of the earth, having definitely determined [their] allotted periods of time and the fixed boundaries of their habitation (their settlements, lands, and abodes), and this one common origin and source is Kushitic or Cushitic. We are all descendents from Adam and Eve, made in the image of God (I Corinthians 14:45). It is from this root that all the peoples of the world developed. It was God who placed each of Noah s sons, Ham, Shem and Japheth s in boundaries that he had established for their habitation, Ham and Shem occupying what we call today Africa and Arabia, and Japheth in the far North. It is God who also allotted each their own periods to dominate and rule in the earth, their very definitive allotment of times, Ham, Shem and now Japheth. I will put forth in this work evidence, biblically, archaeologically, anthropologically, scientific genetic DNA evidence that will clearly delineate the pre-flood inhabitants, and each of the nations of people that came forth after the flood with Noah s sons, Ham, Shem and Japheth; as well as explore the root of racism based on skin color and the ancient biblical landscape and its peoples. We will explore the ancient landscape of Mesopotamia looking at Sumer and Shinar, the dispersion of the people at the Tower and the development of the different tongues and races; then we will look at Japheth s...
