CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Sandra Joshel provides a comprehensive overview of Roman slavery. Using a variety of sources, including literature, law, and material culture, she examines the legal condition of Roman slaves, traces the stages of the sale of slaves, analyses the relations between slaves and slaveholders, and details the social and family lives of slaves. Richly illustrated with images of slaves, captives, and the material conditions of slaves, this book also considers food, clothing, and housing of slaves, thereby locating slaves in their physical surroundings - the cook in the kitchen, the maid in her owner s bedroom, the smith in a workshop, and the farm labourer in a vineyard. Based on rigorous scholarship, Slavery in the Roman World serves as a lively, accessible account to introductory-level students of the ancient Mediterranean world.
