Reviews

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf. I am just happy to tell you that this is the very best ebook i have read in my own lifestyle and may be he greatest ebook for actually.

PLUNKETT S INVESTMENT SECURITIES INDUSTRY ALMANAC 2015: INVESTMENT SECURITIES INDUSTRY MARKET RESEARCH, STATISTICS, TRENDS LEADING COMPANIES (PAPERBACK)

DOWNLOAD

Plunkett Research, Ltd, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. The investment industry is increasingly a global business. This is partly due to the needs of multinational corporations to obtain financing in more than one nation. Cross-border investments and acquisitions continue at a rapid pace. The asset management business is becoming larger, more complex and more competitive, while hedge funds and private equity dominate large portions of the industry. This carefully-researched book is a complete investments, securities and asset management market research and business intelligence tool - everything you need to know about the business of investments, including: investment banking, stock brokers, discount brokers, online trading, trends in financial information technologies, asset management, stock ownership by individuals and households, 401(k)s and pension plans, mutual funds, ETFs, ECNs and exchanges. The book includes vital industry statistics; a glossary; industry contacts such as industry associations and government agencies; and our profiles of 350 leading global firms in the investment and asset management business, both public and private. Purchasers will find a form in the book enabling them to register for 1-year, 1-seat online access to tools at Plunkett Research Online, including the ability to view the market research/industry trends section and industry statistics. You have access, at no additional charge, to the very latest data posted to Plunkett Research Online. Online tools enable you to search and view selected companies, and then export selected company contact data, including executive names. You ll find a complete overview, industry analysis and market research report in one superb, value-priced package.
