If you want something, ask for it. That is what I did and I found that it does work! Billionaires and Millionaires want to give away money. The majority of these rich people want to help, but they do not know you until you introduce yourself and ask for what you want. I wrote letters asking for money, purses, watches, jewelry, shoes and vacations. I received so much in the mail that it surprised me that there was such a great positive response. This book has all the research that I needed to reach the rich and famous people that are willing to help. This book will also give you the tools to increase your list and build it bigger and better than mine to reach as many people as possible to increase your chances of a better payday.
