THE SNOWBOY

DOWNLOAD

Salt Publishing, United Kingdom, 2011. Pamphlet. Book Condition: New. 193 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Mark Burnhope s poems present a generous but moral quizzing of the world. Peering out over disability, faith and the host of prejudices that spring from such ground, they negotiate a path through lyricism and music, didacticism and narrative, comedy and confession, slang and slur in their search for a voice with which to speak. They visit town and sea, husband and wife and monuments to grief built of snow, steel, stone. They take us to a hydrotherapy session, a talking tree and an outcast crew including Pinocchio, Queequeg and Quasimodo. But at their heart, there is great warmth. Burnhope asks uncomfortable questions of the rhyme or reason for loss and healing, even as he challenges received perceptions of disabled life with wit, verve and an inclusive imagination.
