DUST DEVILS

DOWNLOAD

Profile Books Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 190 x 132 mm. Language: English . Brand New Book. On the run after being framed for murdering his family, South African journalist Robert Dell s only ally is his oldest enemy: his father. Bobby Goodbread, an ex-CIA hitman just sprung from prison for atrocities he committed whilst in the employ of the apartheid regime, joins his son on a bloody cross-country road trip, bringing his killing skills and his hunger for redemption. From picture-postcard Cape Town to a Zulu tribal valley where AIDS, savage feuds and poverty have left the population as gutted as the parched red earth, father and son hunt down assassin Dog Mazibuko, uncovering a conspiracy that reaches to the highest levels of the South African State. They cross paths with another man on a desperate mission: ex-investigator Disaster Zondi, returning to the place he fled as a youth to rescue a teenage girl - who may or may not be his daughter - sold into marriage to Mazibuko. These men are thrown together in a spiral of violence and retribution in a country where corruption and anarchy have replaced brutal tyranny and human life has never been cheaper.
