Considering a move to Spain but don t know where to start? Want to study abroad? Need to find a place to stay? Here Maria Espinoza outlines the steps that will make the big move that much less painful. Thousands of foreigners make the move to Spain every year, attracted by the country s natural beauty, the weather and the promise of a less stressful life. But moving to another country is never easy, and Spain is no different. Finding a place to live, getting your paperwork in order, and making sure you have access to health care can all be serious challenges. Most people consider moving to Barcelona, moving to Malaga, moving to Madrid, moving to Torrevieja, moving to Valencia, moving to Marbella or moving to Benidorm. However, with a good dose of planning and research - and plenty of patience - the whole process can be made just a little smoother. From applying for the all-important Spanish foreign residence number (NIE) to getting yourself enrolled in a language class, Maria Espinoza outlines ways you can help yourself when it comes to setting up in Spain.
