### **Reviews**

*These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.*

*(Cristina Koepp)*

## MEDIACIONES TECNOLÓGICAS: CUERPOS, AFECTOS Y SUBJETIVIDADES

[DOWNLOAD](#)

Centro de Investigaciones Sociológicas (CIS), España, 2014. Encuadernación de tapa blanda. Book Condition: Nuevo. 23X15cm. 168 pp. Este libro surge al calor de una investigación colectiva sobre las interacciones entre la telefonía móvil, las relaciones de género y los vínculos afectivos íntimos, así como las conexiones con otras propuestas, trabajos, redes e investigadores con los que las editoras han ido coincidiendo en congresos, seminarios y publicaciones académicas en diversos formatos. Haciendo pie en lo empírico, se analiza como las subjetividades contemporáneas están constitutivamente mediadas por los usos y prácticas tecnológicas. Partiendo de perspectivas sociológicas pero sin renunciar por ello a la vocación multidisciplinar, se aborda como estas tecnologías de la información y la comunicación, desde los teléfonos móviles a plataformas online como Flickr o Youtube, median y mediatizan las interpretaciones (en tanto que sentidos pero también en tanto que puesta en escena) de nuestros cuerpos, afectos y subjetividades. Todo ello con especial atención al vínculo de pareja heterosexual, a las relaciones de género que en él se despliegan, a la rearticulación de las demarcaciones entre lo público, lo privado y lo íntimo que en ese juego se conforman, así como a las controversias y convergencias facilitadas por estas mediaciones.
