

## The Story of the Psalms (Classic Reprint)

By Van Dyke

Forgotten Books. Paperback. Condition: New. 276 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. The best poetry is that which comes closest to the common experience of mankind, gives form and colour to the feelings which enter every heart, it is the blossom and fragrance of all human knowledge, human thoughts, human passions, emotions, language. Thus it becomes true, as Wordsworth has said, that the poet is the rock of defence of human nature, an upholder and preserver, carrying everywhere with him relationship and love. It seems to me that we may discern in this truth, at least in part, one secret of the vitality and power of the Bible. There is no other book which lies so near to the great throbbing heart of the world. Its humanity is no less manifest, no less potent, than its divinity. There is life in it, and life is always interesting. We need to be on our guard against any method of using or interpreting these scriptures which would put them far away from us, or make them shadowy and unreal. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher...

### Reviews

*It is a single of my favorite publication. I have read and so I am sure that I will likely to study again once again down the road. I am delighted to let you know that this is basically the greatest publication we have read inside my own life and might be the best pdf for possibly.*

-- **Maria Morar**

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

-- **Dr. Marvin Deckow**
