THE LAUNCH BOYS CRUISE IN THE DEERFOOT (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I once heard the bravest officer I ever knew declare that the height of absurdity was for a person to boast that he did not know the meaning of fear. Such a man is either a fool or the truth is not in him, was the terse expression of the gallant soldier. Now it would have been hard to find a more courageous youth than Alvin Landon, who had just entered his seventeenth year, and yet he admits that on a certain soft moonlit night in summer he felt decidedly creepy, and I believe you and I would have felt the same in his situation. He was walking homeward and had come to a stretch of pine forest that was no more than an eighth of a mile in length. The road was so direct that when you entered the wood you could see the opening at the farther side, where you came again upon meadows and cultivated fields. The highway was so broad that only a portion of it was shaded and there was no excuse for one losing his way even when the moon and stars failed to give light. All you had to do was to keep in the middle of the road and plod straight on.
