Although they do not happen to us, it is frightening to know how people can become constantly plagued by them. Maybe your house is an old building, or your school is a former cemetery. Perhaps someone you know can feel and see other worldly entities? Look around you.do you remember a moment when you heard a screeching sound from the attic? Or maybe your chairs move without your assistance. When the lights flicker and the wind is chilling, you may consider the possibility that you aren t alone? The cases included in this book vary: from a whole family being haunted, haunted houses, scary roads, and haunted asylums. It is proof enough that paranormal events can take place anywhere, and an ordinary person can be a victim of ghostly encounters. You may not be a believer now, but after reading this book, you might just change your mind.
