Demos Medical Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An initial response to a diagnosis of Multiple Sclerosis is typically an active search for information about the disease itself and its potential long-term effects. Over 450,000 people in the US have received a diagnosis of MS and are living with this chronic debilitating condition.What Nurses Know.Multiple Sclerosis sheds new light on this illness and its symptoms from a trusted source: Nurses. Written by a Nurse who has practised with MS patients for 25 years and was named the National Multiple Sclerosis Society Volunteer of the Year in 2008, the author presents up-to-date information on everything a person with MS would want to know.Special Features IncludeNumerous call-out boxes with What Nurses Know. ResourcesDefinitions of common termsAnd much more!About the SeriesNurses hold a critical role in modern health care that goes beyond their day-to-day duties. They share more information with patients than any other provider group and are alongside patients twenty-four hours a day, seven days a week, offering understanding of complex health issues, holistic approaches to ailments and advice for the patient that extends to the family.Nurses themselves are a powerful tool in the healing process. What Nurses Know gives down-to-earth information, addresses consumers as equal partners in their care and explains clearly what readers need and want to know to understand their condition and move forward with their lives.
