Reviews

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Augustine Pfannerstill)

FOREIGN CROPS AND MARKETS, VOL. 41: JULY 29, 1940 (CLASSIC REPRINT) (HARDBACK)**DOWNLOAD**

FBC LTD, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Foreign Crops and Markets, Vol. 41: July 29, 1940 Arrivals of native wheat in Shanghai increased considerably in July compared with June. During the past 2 weeks arrivals have averaged about bushels daily but little has been permitted to enter the internationally controlled areas in Shanghai. Japanese companies operating appropriated Chinese mills outside the foreign-controlled areas have purchased approximately bushels of new-crop domestic wheat. Chinese mills located in the international settlement have been able to secure only small quantities of wheat and have been required to pay from 5 to 6 cents a bushel above the-market price in order to obtain wheat. At the present time Chinese mills at Shanghai are reported to be operating at about 15 percent of capacity, and Japanese-operated mills are running at about 80 percent of capacity; Two cargoes of American wheat were reported early in July booked for Shanghai at about 81 cents per bushel, c.i.f. Shanghai. A cargo of Australian wheat was reported purchased for Shanghai on July 16, the price of which has not yet been ascertained. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
