WE CAN DO ANYTHING!

AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.We Can Do Anything! was written when David and his young son were thinking What shall we do? when rained in one evening. Using a few ideas and a lot of imagination David and his son conjured up tremendous new adventures. In minutes they had travelled into space, gone to the icy coldlands and become a scary monster. David thought this book would provide a useful resource for providing adults with a means to inspire imagination, fun, learning and play for small children. For added value David provides simple, yet colourful, illustrations using two happy faces that little ones can look for on each page, and a light tuneful style. The book also provides a short but fun bedtime read and has been given the thumbs up by the most discerning of customers - children themselves! In writing this book David has asked many people to appraise it. An Ofsted reporter endorsed the book as simply delightful . In his own and typically optimistic style David describes this book as a means of awakening the child within. By getting back into play and most of all having fun adventure, children and adults can develop creativity, whilst encouraging communication and social skills.
