

We ran until the grass grew ragged

By Suzy Koplaku

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 150 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. We ran until the grass grew ragged contains all the poems available in my previous two collections from *allegro* and *In Birdsong Bright*. My poetry is inspired by the stark unsentimental beauty of nature, sunlight, the glory of an unmade bed and those still unkempt, sacred, wild terrains that feet have yet to tread. I enjoy exploring how mythology and folklore influence the collective consciousness and merge with real life. I am fascinated by the paradoxes, nuances and shades of grey in life. I am also passionate about listening to marginalized voices. I explore these themes in my work through an eclectic subject matter including motherhood, childhood, nature, politics and spirituality. This item ships from La Vergne, TN. Paperback.
