This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This book presents a historical study of the phenomenon of Holy Land tourism among American Protestants during the second half of the nineteenth century and the early twentieth century. During this period, overseas travel was newly available to the Protestant middle class due to the invention and steady popularization of steamship travel. Protestants at home in America consumed vast quantities of printed literature via the popular medium of Holy Land pilgrimage narratives. A new mental geography resulted, in which Americans forged a fresh awareness of the Middle East and began to focus millennial hopes upon the political and social concept of a Jewish remnant of the last days in a Protestant theological and historical framework. Protestant support for Zionism was born. What surfaces from the study of hundreds of pilgrimage narratives from this period is the emergence of Palestine as an iconic place for American Protestants. Through pilgrimage narratives, American Protestant s understanding of Palestinians, biblical authority, the power of the Protestant press, the historicity of...
