

To You We Shall Return Lessons About Our Planet from the Lakota

Filesize: 8.12 MB

Reviews

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Joana Champlin)

TO YOU WE SHALL RETURN LESSONS ABOUT OUR PLANET FROM THE LAKOTA

Blackstone Audio, Inc. No binding. Condition: New. Dimensions: 5.8in. x 5.3in. x 0.7in. Read by Joseph M. Marshall III With Original Music by Jeffrey Hepker Produced by Connie West From acclaimed author Joseph M. Marshall III comes a book that is part memoir, part cultural manifesto about a new way of looking at how cultures impact the environment. Grandmother, you who listen and hear all, you from whom all good things come . . . It is your embrace we feel when we return to you . . . This traditional Lakota prayer to Grandmother Earth opens Joseph Marshall III's newest work, a meditation on our connection to the land and an exhortation to respect it. Using a combination of personal anecdote, detailed history, and Lakota tales, Marshall takes us back to his childhood and shows us how we, too, can learn to love our planet. Although he was educated in Euro-American schools, Marshall had the benefit of growing up with wise grandparents who taught him never to walk a path without knowing the trail from which he came: that the bow does not make the hunter, and above all, that the earth can be boundlessly generous -- if we can learn to accept its gifts. Part memoir, part cultural manifesto, *To You We Shall Return* offers a comparison between Euro-American attitudes, policies, and history regarding the natural environment to that of ancient native North American beliefs and practices in relating to and living with that same environment. Speaking from the cultural viewpoint of the Lakota of the northern Plains, the author discusses the evolution of native cultures to fit within the environment and adapt to it, as opposed to changing it drastically or wholesale to fit human needs and comforts. He suggests that changing our contemporary thinking in relating to...
