Image Comics, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. by Brian Michael Bendis BW 184pp Trade paperback In stores the week of December 11th. The Concept: Three time Eisner award winning Brian Michael Bendis (Powers, Ultimate Spider-Man titles, Daredevil, Alias) didn't just appear out of thin air, you know! He worked his tuchas off at all aspects of the medium before totally losing his hair in mainstream comics. Compiled in this exclusive collection are dozens of short stories that are widely considered his best work, handpicked by the author. Ranging from the Fortune and Glory style autobiographical anecdotes, to some of the darkest crime noir stories he has yet to tell. Also included is a smattering of his favorite short work collaborations with Warren Ellis, Mark (Nowheresville) Ricketts, James Hudnall, and Mike Avon Oeming. And a portfolio of line art and multi-media illustrations that have rarely been seen before. A fun and must have collection of rarely seen or never seen material.
