

The Kindergarten Train: Preboarding Tips

By Meriam F Wilhelm

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As the time for Kindergarten approaches many parents are filled with happiness, anticipation and perhaps a little bit of anxiety as they wonder if their child is truly ready to enter school. The Kindergarten Train provides answers parents are looking for. Every child is unique, each with their own gifts and challenges and preparing for Kindergarten will be different for every family. The Kindergarten Train is a small book that answers big problems. If you are questioning keeping your child in pre-school for another year, placing them in a developmental kindergarten program or moving forward to a formal kindergarten classroom, you ll find helpful insights to assist you in your decision making process. Filled with strategies to help your child to be ready for their next step, The Kindergarten Train also provides techniques for building independent, responsible, kids who are ready to face academic, social and emotional school challenges. Knowing that every meaningful conversation between a parent and child can begin with the reading of a good book, Wilhelm includes numerous story book recommendations. Whether you want to...
