

All of Time and Space: The Story of Us (Paperback)

By Joseph D Hamilton, Theresa Hamilton

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Well here it is, the beginning of a new adventure, a life together before God. Sometimes in order to find what your looking for you have to stop looking. For those of us who spent much of our adult lives single we have heard those words many times. The truth behind them does not make them easy to hear. Well at long last I have found the love of my life. But I didn t stop my search as I was instructed, I simply trusted God for the results. The Bible says that faith without works is dead. It was when I made God the delight of my heart that he gave me His great reward. I gave my heart unto God, withholding nothing for myself and God filled it. This book is a collaboration of poetry between myself and my wife Theresa. Please enjoy this book and celebrate God s richest blessings with us as we beginning our new life together before Almighty God.
