

Survivalist Family Prepared Americans for a Strong America (Paperback)

By Joe Fox

Five Stone Publishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Just what IS a survivalist family ? instead of survivalist family we could say prepared family or talk about family preparedness but that is just so politically correct it makes one sick. Just because the media don t like survivalists and therefore vilify them does not mean we have to change our language. For our purposes, the Survivalist Family is defined as, A multi-generational group of people living in one house (usually consisting of a father, mother and their offspring) who take positive steps as a cohesive group to prepare for possible future negative situations and circumstances beyond their control. This book will guide you through all that is necessary to be prepared for future uncertainty.
