A CATHOLIC REFORMED THEOLOGIAN

To save **A Catholic Reformed Theologian** eBook, remember to refer to the web link beneath and download the ebook or have access to additional information which might be highly relevant to A CATHOLIC REFORMED THEOLOGIAN book.

Paperback. Book Condition: New. Not Signed; This study demonstrates that Benjamin Keach, the most important Baptist figure of the 17th century, was a catholic Reformed theologian. This is done by investigating his relationship with the tradition of the church, his interaction with federalism, and his concept of baptism. Riker presents Keach, and thus the Baptist tradition, in a new way: not as a Calvinist tradition but as part of the broad Reformed family. Second, believer's baptism, the rite from which the Baptists derive their name, is systematically scrutinized against pedobaptism. In so doing, Riker presents every argument, strong or weak, that was used in the 16th- and 17th-century debates and their respective refutation by a Baptist. book.
