Reviews

Good e-book and beneficial one. I was able to comprehend everything out of this published e.pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Biology Student Book 1, Mary Jones, Collins AQA A-level Biology Student Book One is a revised edition of the successful Collins AS Biology for AQA, updated in line with the latest Biology specification. We are working with AQA to gain approval for our student books. The book provides * Content perfectly matched to the 2015 AQA specification. * Comprehensive assignments relating to practical work to advise students on apparatus, experimental techniques and how best to avoid common errors. * Extensive practice questions to help preparation for linear assessment together with material to build synoptic understanding. * Content that tests and builds student skills in key areas such as mathematical skills and working scientifically, all carefully embedded throughout the book. * Science in Context features at the start of every chapter to help students engage with the subject. * Key fact summaries and questions to help students to monitor their progress and revise effectively. * Stretch and Challenge features to help students achieve highest grades. * Material that is usefully co-teachable for AS and Year One of A-level. The book covers the four units of the AQA specification for AS level and Year One of A-level. 1. Biological molecules 2. Cells 3. Organisms exchange substances with their environments 4. Genetic information, variation and relationships between organisms.
