

## Charley Harper Tree of Life

By -

Pomegranate Communications Inc,US, United States, 2013. Novelty book. Book Condition: New. Charley Harper (illustrator). 5 Rev ed.. 274 x 208 mm. Language: English . Brand New Book. Artist and animal-lover Charley Harper (American, 19222007) was raised on a farm in West Virginia. Charley developed a unique artistic style. Instead of trying to capture every small detail of his wild subjects, he would simplify each animal down to its most basic elements. Rather than drawing every feather on a bird, for example, he would just draw bold, colorful shapes for the wings, body, beak, and tail. And he always highlighted each animals most familiar features the big bill of a pelican, for example, or the masked face of a raccoon. The 67 animals in this sticker book all come from Charleys painting Tree of Life (shown inside the front cover), which depicts 102 different plants and animals; Charley wanted to show us the amazing variety in nature and how all living things are dependent upon each other. Perhaps these stickers will inspire you to learn more about the animal world.

### Reviews

*It in one of the most popular publication. We have read through and that i am sure that i will likely to study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be he best pdf for actually.*
